# SCHOENSTATT MEN'S RETREAT – 2024

“We can distinguish between the ideal of my personality and an ideal in regard to my personal mission in life.  
As far as my personality is concerned, God wants to enrich my emotions and clarify my mind. He wants me to strive for holiness.  
As far as my personal mission is concerned, the ideal reminds me that I have been called to fulfill and achieve a specific task in life.”

J. Kentenich, 1935
